

Position Summary: Our intern will see Napster in all its glory from *behind* the curtain. Help us support the artists and labels we love to get more love on social networks, and find new listeners and fans. Bring your talents and your passion for sharing music to one of the originators in music sharing and discovery!

Essential Duties include, but are not limited to:

- Work with the communications team to identify key influencers in the music, tech and business industries
- Promote and execute contests and sweeps
- Coordinate with labels and artists to promote Napster content via their social channels
- Capture content for use on Napster social networks, either via in-office performances or at personally attended shows
- Assist with music metadata cleanup in proprietary CMS
- Support playlist creation as needed

Education:

- High school graduate, or GED equivalent, actively pursuing a Bachelor's or Graduate degree

General Qualifications:

- Team player who can also work independently, with little oversight required
- Experience with major and minor social networks and tools
- An expert at sharing music or other content via social networks and building a base of followers
- A passion for music, for the Seattle music scene and everything in between
- A lack of vertigo (we're on the 31st floor of Columbia Tower)

Skills:

- Microsoft suite, including Office, Excel, and PowerPoint
- Google suite, including Docs
